

LET ME GIVE YOU A "SENSE" OF CAMP

Date _____

Dear _____

Everybody always says how camp is full of new smells and tastes and everything.

Here are examples of what I'm experiencing! *(For each one, describe it in words and draw it in the box. You may either draw an object, or a picture of your face showing how you felt about it).*

A really cool thing I've **seen**:

A sound I **heard**:

An interesting **smell**:

An awesome thing I **touched**:

Something new I **tasted**:

Love,
